GENERAL OVERVIEW

Koh Tao is unique in many ways and not just because it offers the best scuba diving in the Gulf of Thailand.

The island is conveniently small and welcomes visitors from a variety of international communities, with a large selection of dining options and accommodations available at reasonable prices

There's also no shortage of nightlife, activities and stunning vistas to take advantage of. The island's name, literally means "Turtle Island", given to it by its first settlers based on its turtle-like shape. Koh Tao generally enjoys a tropical climate throughout most of the year due to its centralized gulf location with the exception of a short rainy season from November to mid-December. The island was first charted on a map of the Gulf in 1677.

LOCATION

Koh Tao is an island located near the eastern shore of the Gulf of Thailand. It covers an area of roughly 21 square kilometers, and sits approximately 70 kilometers east of the coastline between Suratthani and Chumphon. The Island offers visitors, 11 beaches, 8 kilometers of coral reef and more than 30 different dive sites to enjoy. It is well known for its natural beauty specifically its marine life and coral reefs that have made it one of the top destinations in Thailand for scuba diving. Other popular island activities include rock climbing, water sports, Thai boxing, massage and spa treatments, cooking classes, sightseeing, and local nightlife.

There are several ways to get to Koh Tao: Daily bus service, trains, and flights are available from Bangkok to the
